**Objective:** To secure a challenging position that utilises my experience of my subjects, while allowing me the opportunity to grow professionally.

**About:** 'INVESTING' is the term I believe in, "When any task is done through sheer determination , the time is invested ".As this mantra is inculcated in my life, I ensure myself to dedicate my fullest. Being an ambivert person I like to explore the new dimensions in life.

**Skills:**

**Technical Skills :**

1. Wet Clutch and Dry Clutch Assembly
2. Hydraulic System
3. Pneumatic system
4. Mechanical Assemblies

**Other Skills :**

1. Team Handling
2. Field Execution
3. Presentation Design
4. Microsoft Excel

**Hobbies:**

1. Photography
2. Travelling
3. Cycling
4. Playing badminton
5. Cooking

**Academics:**

	INSTITUTE	YEAR OF COMPLETION	MARKS
SECONDARY EDUCATION EXAMINATION CERTIFICATE	EKLAVYA SCHOOL AHMEDABAD(ICSE Board)	2015	75%
SENIOR SCHOOL CERTIFICATE EXAMINATION	SHREE NARAYANA CENTRAL SCHOOL(CBSE Board)	2017	86%
MECHATRONICS ENGINEERING	GH PATEL COLLEGE OF ENGINEERING (Gujarat Technological University)	2021	8.43 CGPA

Experience:

1. HARSHA ENGINEERS INTERNATIONAL LIMITED

Position: Graduate Engineer Trainee (July'21 - Aug'22)

Department: Maintenance Department (Taper Auto Division)

(Press Machine, Hydraulic Press, Lathe Machine, Visual Systems, Feeder)

Work Scope: -Machine PM and CBM

2. HARSHA ENGINEERS INTERNATIONAL LIMITED

Position: Maintenance Executive(Aug'22 - Mar'23)

Department: Maintenance Department (Taper Auto Division)

(Press Machine, Hydraulic Press, Lathe Machine, Visual Systems, Feeder)

Work Scope: -Machine PM and CBM

-Machine Improvement (P,Q,C,D,S,M)

-ERP Systems ( SAP)

-Kaizens

-Line Installations

-Budgeting and Project finalisation

-TPM Special Award Presentations

Projects:

Sr. No.	Project	Duration	Organisation
1	Pick & Place Robot	5 Days	The Roar
2	Drone	20 Days	The Roar
3	Camera Buggy	1.5 Year	G.H. Patel College of Engineering and Technology
4	Construct-O-Bot	1 Year	E-Yantra
5	Prosthetic Limb	1.5 Year	Robofest- By Gujcost
6	Rover	1.5 Year	Robofest- By Gujcost
7	Four Legged Robot (ZAC)	1.5 Year	Robofest- By Gujcost
8	Robocon	6 Months	ABU Robocon
9	Working Model of a Line	1 Month	Harsha Engineers International Limited

Achievements:

1. Have **won 60+ events** as part of various **National and State level Techfests** organised by various institutes, enriching a successful team THE ROAR.
